

Alone Together, Again

The following was written in August, 2012. It was published a month ago in the first issue of Marco Arment's iOS-only publication The Magazine. Marco has generously allowed his contributors to retain copyright and the option to share their work on their own sites after a time. If you have an iOS device, please consider supporting Marco and The Magazine by purchasing a subscription.

The new blog for Forever 21, set to launch late July, will focus on extended trend information, videos and stylist How-To's. Editorial in nature and fshion-forward in tone, the blog is sure to become one of the fashion's most visited resources.
